

FACTSHEET
INTELLIGENT HOME NETWORKING SOLUTION - NAGRA SCOUT

DESIGNED TO PROTECT CONSUMERS WHILE SAVING YOU MONEY

EXECUTIVE SUMMARY

By driving fewer service calls, lowering churn and providing operators with improved insight into the home network, NAGRA Scout gives broadband service providers and consumers control over threats to their connected devices.

This solution delivers intelligent, active broadband network security which will increase customer loyalty and build trust through professional-grade network security, and services tailored for today's digital world.

SOLUTION BENEFITS

-  **Incorporate New Consumer Offers:** Include NAGRA Scout in promotions with device manufacturers for acquisition and retention campaigns
-  **Increase ARPU:** Build new revenue streams from a range of business models and complementary service packages
-  **Intelligent Network Development:** Anticipate future network needs through reported behavior data showing bandwidth and device usage
-  **Improve First-Call Closure Rates:** Reduce operational costs by rapidly resolving issues involving poor home network performance through increased device visibility
-  **Always Monitored. Always Secure:** SecDevOps team focused on identifying latest device threats with 24x7x365 monitoring
